

GEAR UP!

ProPain.com

NEXT LEVEL BANDAGE WEAR

PRO PAIN® introduces ProTECHtive **GEAR**™, a new and exciting on-trend bandage line geared to disrupt the already tiresome bandage category. Paradigm shift - bandages go from “regular looking” to “cool and trend-setting”. Uniquely themed marketing motifs bring the power of Athlete and Celebrity endorsements, which combine with cutting-edge product design and technological advances for all age demographics. **PRO PAIN**® fosters a fresh and exciting growth opportunity within the Bandage Category.
